1. Attached are some papers left by [REDACTED] after his presentation on 9 January. In a short discussion after the meeting, I suggested to [REDACTED] that they might touch base with "our" group at [REDACTED] and perhaps feed into the effort there in some significant way on a one-time basis, to demonstrate how they could enhance the reporting of that group. This, of course, at no cost to us--just to indicate how they might get breadth or depth to the work being done. I have additional copies of this material which you may retain.
